Chris Minns MP, Premier of New South Wales Mr. Philip Donato MP, Independent Member for Orange New South Wales Ms. Clare Collins, Chair, Advocacy Australia Dear (Insert local member’s name) As a concerned resident in your constituency, I’m writing to show my full support for the #Justice4BiddyPorter campaign. It is impossible to image the heartbreak Biddy Porter’s parents felt on that tragic day when they learned of their precious little girl’s brutal killing by someone she should have been able to trust. The lives of these broken parents were torn apart, not only because their daughter was brutally killed in a vicious, extreme act of violence that was so heinous the Supreme Court of NSW ordered the details of Biddy’s injuries be suppressed for twenty (20) years; but because the NSW judicial system and the NSW Department of Communities and Justice (DCJ) Victims’ Support services have failed them.

Knowing how tragic Rebekah and Dominic's situation has been, every mother, father, grandparent, aunt or uncle who knows of Bidy's tragic story would willingly add their voice to her parents' calls for *Justice for Bidy Porter*.

As resident in your electorate, I'm writing to ask you to add your voice to the *#Justice4BiddyPorter* campaign.

As a member of your constituency, I'm writing to ask you to add your voice to the calls for Parliamentary Inquiries into the NSW Office of the Director of Public Prosecutions' (DPP) handling of the case against Bidy's self-confessed killer and the Mental Health Review Tribunal's (MHRT) lack of transparency and accountability; reform of the Department of Communities and Justice Victims' Support Services (VSS); and, a Coronial Inquest into the circumstances surrounding Bidy's death.

Only through Parliamentary Inquiries into the DPP and the MHRT, can the truth about the DPP's management of Bidy's case and the unprecedented autonomous powers of the MHRT to release perpetrators of heinous crimes back into our community come to light while making essential changes to ensure the safety of all members of our community.

I'm sure you would agree that as a society, we can all do better. We must do better to ensure we do everything possible to prevent serious crimes. And when heinous crimes like Bidy's killing do occur, we must do everything within our power to help victims like her parents to minimise their pain and suffering.

As my elected member of the Parliament of New South Wales I ask you to open your heart and give the *#Justice4BiddyPorter* campaign your full support for the NSW Parliament e-Petition. Please promote it in our community and support it in the Parliament when presented by Philip Donato MP, so Bidy's parents can begin to heal.

With your help, we can make Bidy's legacy not about how she died, but how she changed a broken system that protects killers and fails victims of serious crimes like Bidy and her parents.

Dear Michael Daley MP, Attorney General of New South Wales,
As a concerned resident of New South Wales, I'm writing to show my full support for the #Justice4BiddyPorter campaign.

Until now, Bidy and her parents have been silenced. Knowing how tragic Rebekah and Dominic's situation has been, every mother, father, grandparent, aunt or uncle who knows of Bidy's horrific killing would willingly add their voice to her parents' calls for *Justice for Bidy Porter*.
